Tender Portal	https://bbssl.coop/

Late, incomplete, conditional or non-responsive bids may be rejected by BBSSL.

TERMS AND CONDITIONS

1. Eligibility

The bidder must:

- have automated printing, cutting and stitching facilities with minimum production capacity of **2,00,000 bags per day**;
- have average annual turnover of at least **INR 200 crore** during the preceding three financial years;
- have completed at least **two similar supply orders** during the preceding three years for Government departments, PSUs, cooperatives or reputed seed organisations;
- hold valid **ISO 9001:2015, GSTIN, PAN and applicable CPCB/statutory registrations**; and

(e) not be blacklisted or debarred by any Government department, PSU or statutory authority.

BBSSL may verify credentials and inspect manufacturing facilities at any stage.

2. Quantity, Specifications and Approval

Quantities and specifications in Annexure-I are indicative and may be increased, decreased, modified, split, deferred or cancelled by BBSSL, including variation of approximately **10% to 30%**, without any claim for compensation or loss of profit.

Bulk production shall commence only after written approval of samples and artwork by BBSSL and, where applicable, the concerned State Seed Certification Agency. Any unauthorised production shall be at the supplier's sole risk and cost.

3. Delivery, Inspection and Rejection

Supply shall be completed in staggered phases within **20–30 days of the PO**, or as otherwise specified by BBSSL, on **FOR-destination basis across India**.

BBSSL may inspect and test goods at any stage. Defective or non-conforming goods may be rejected and shall be replaced at the supplier's sole risk and cost. Inspection, acceptance or payment shall not waive BBSSL's rights regarding latent defects or subsequent non-compliance.

4. Payment and Performance Security

Subject to satisfactory performance, **25% advance may be paid**, subject to required security/documentation, and the remaining **75% within 30 days** after satisfactory delivery, verification, quality acceptance and receipt of complete documents.

The successful bidder shall furnish an unconditional and irrevocable **PBG of 2.5% of the contract/PO value**, valid for at least six months or such extended period as required by BBSSL.

BBSSL may deduct or set off any recoverable amounts against payments or securities.

5. Delay, Risk Purchase and Termination

Delay may attract liquidated damages of **0.5% of the delayed supply value per week or part thereof, up to a maximum of 10%**.

In case of delay, defective supply, rejection or material default, BBSSL may procure goods from alternative sources at the **supplier's risk and cost**, recover resulting losses and/or terminate the PO/contract, wholly or partly, without prejudice to its other rights and remedies.

6. Warranty, Indemnity and BBSSL Materials

The supplier warrants that all goods shall be new, defect-free, fit for purpose and compliant with approved specifications, artwork and applicable law, and shall indemnify BBSSL against losses arising from defective goods, breach, statutory violations, attributable intellectual-property infringement, fraud or wilful misconduct.

BBSSL's artwork, logos, trademarks and designs shall be used solely for authorised orders. Any unauthorised manufacture, sale, diversion or use shall constitute a material breach.

7. BBSSL's Rights

BBSSL may, subject to applicable law, accept or reject any or all bids, reject the lowest bid, seek clarifications, split the order, modify quantities/specifications or cancel the tender before award, without liability for compensation, loss of profit or bid costs.

The lowest bid shall not confer any right to award.

8. General

Submission of a bid constitutes acceptance of the tender conditions. A binding contract shall arise only upon issuance of a formal PO, Letter of Award or agreement by BBSSL.

Force majeure shall apply only to events genuinely beyond reasonable control and subject to prompt notice and mitigation. Raw-material shortages, financial difficulties, equipment breakdown or supplier-specific labour issues shall not automatically qualify as force majeure.

The tender and resulting contract shall be governed by **Indian law**, with courts at **New Delhi** having exclusive jurisdiction, subject to any agreed dispute-resolution mechanism.

BBSSL may issue corrigenda, clarifications or amendments before award. Bidders shall check BBSSL's official website for updates.
